

## WINES FOR THE CONNOISSEUR

Enjoy four extraordinary bottles of wine from Vineyard 7&8 in California's Napa Valley. These impressive bottles represent the exceptional results of a wine-loving family's dream to handcraft high-quality wine using sustainably grown grapes.

In these four bottles, you'll savor the inaugural vintage of Vineyard 7&8's first proprietary blend, "Block Six." It comprises Cabernet Franc, Petit Verdot, and Cabernet Sauvignon, all planted on the steepest hillside slopes and growing in beautiful volcanic soils.

Vineyard 7&8 is located 2,020 feet above the Napa Valley floor within the Spring Mountain District. Founded in 1999, Vineyard 7&8's name encompasses numeric symbols for luck (7) and prosperity and happiness (8). May these fine wines bring you all three in abundance!
