

The poster features a decorative border composed of a grid of colorful squares. Each square contains a white geometric pattern, which is a stylized eight-pointed star or snowflake. The colors of the squares include green, blue, orange, and white. The border is arranged in a way that it frames the central text and logo.

June 6-21
2025

New Jersey's Premier Performing Arts Festival!

THANK YOU

Executive Director Marc Uys,
Board Chair Stephanie Wedeking, and
Edward T. Cone Music Director Rossen Milanov

Welcome, friends, to the 2025 Princeton Festival! It is truly “New Jersey’s premier performing arts festival” with superstar Renée Fleming crowning our opening weekend and top talent across the performing arts gracing the pavilion stage.

Our ability to bring exceptional artists and first-rate performances, concerts, and dance to Princeton relies on the generous support of many individuals, businesses, and foundations. We especially wish to acknowledge those who have gone above and beyond to ensure this year’s success.

IN MEMORIAM

In the past year, we bid farewell to the following individuals who as either trustees or major supporters contributed enormously to bring to life a broad range of performing arts in Princeton. The 2025 Princeton Festival embodies the collective vision that they and many others have worked towards.
